

## **ASSEMBLY & INSTALLATION INSTRUCTIONS**

### **PROVIDENCE BATH ACCESSORIES**

**Apothecary Cabinet 9430.100**

**Demi-Apothecary Cabinet 9431.100**

**Rectangular Mirror 9486.101**

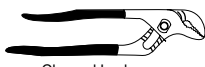

*Thank you for selecting our products...products which have been the benchmarks of fine quality for over 100 years. To help insure that the installation process will proceed smoothly, please read these instructions carefully before you begin. Also, review the recommended tools and materials list; carefully unpack and examine your new plumbing fixture.*

*To maintain the beauty of the finish, avoid placing the furniture in direct sunlight, as sunlight causes fading. Also avoid extreme changes in temperature by arranging furniture away from radiators, heat and air vents, and air conditioning units. Avoid placing furniture directly under windows.*

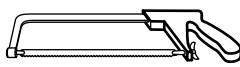

### **Recommended Tools & Materials**

Adjustable Wrench

Channel Locks

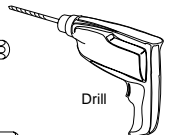

Hacksaw

Tape Measure

Phillips Screwdriver

Drill

Level

Hammer

Putty Knife

Saber Saw

Regular Screwdriver

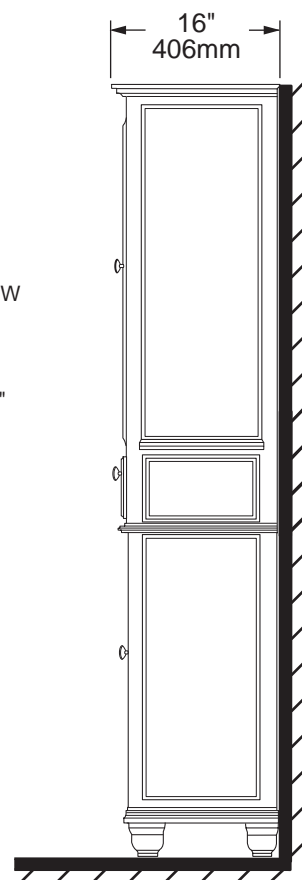

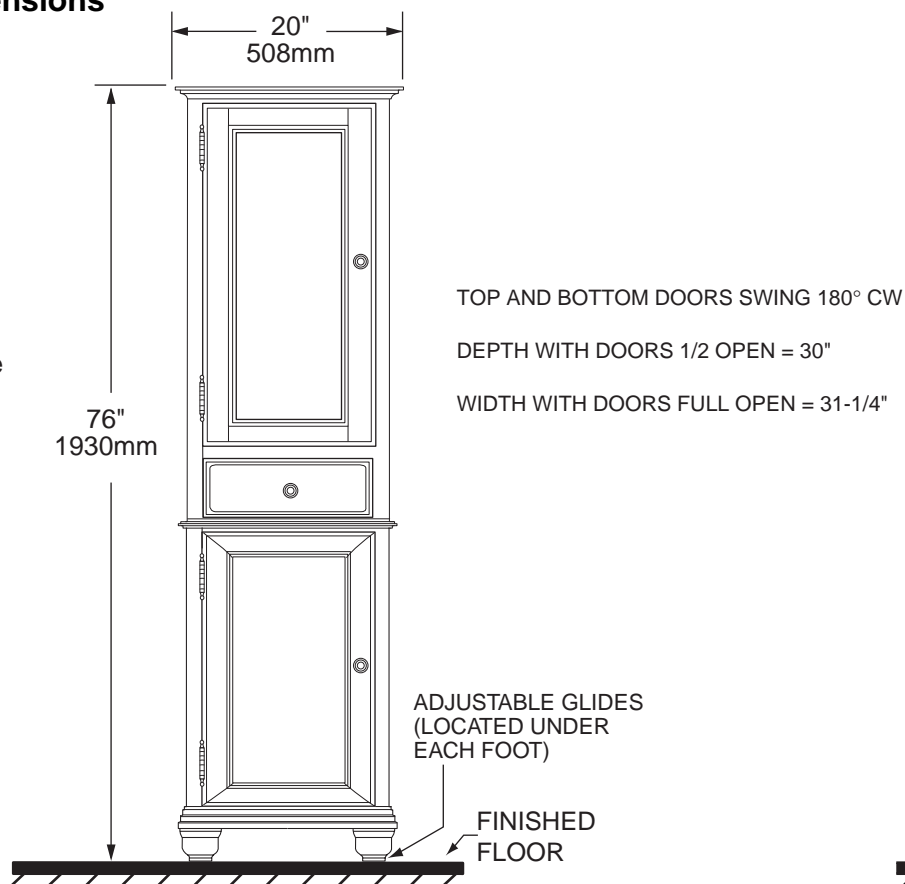

## APOTHECARY CABINET 9430.100

### Roughing-in Dimensions

Move Apothecary cabinet into desired position. Be sure to leave enough room for the swing of the doors.

Level the cabinet using the adjustable glides on the bottom of the feet. The glides can be adjusted outward up to 1" but it is recommended not to exceed 1/2" if possible.

Adjust the shelf pins to desired locations and install the shelves. Be careful not to damage glass in the top door.

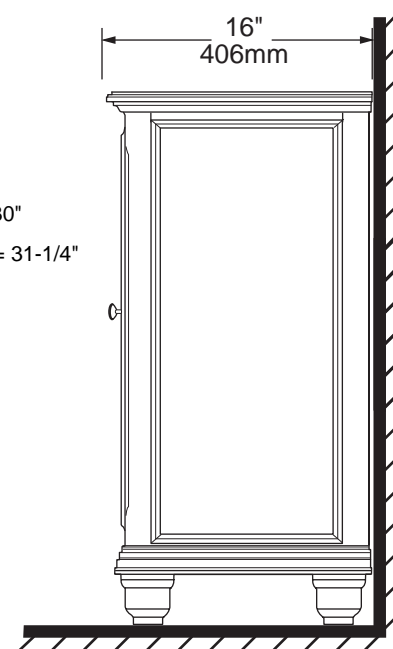

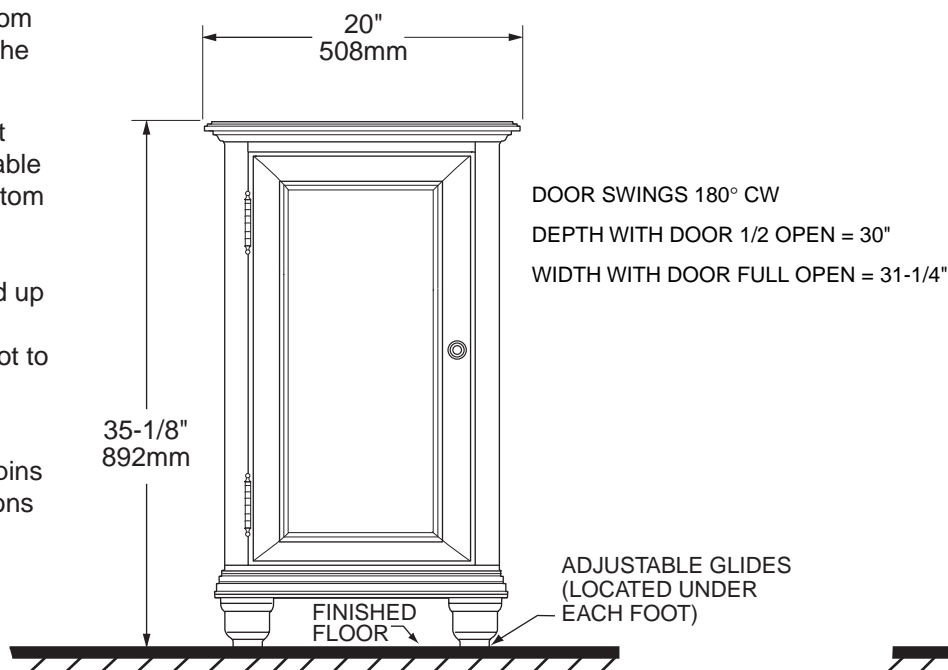

## DEMI-APOTHECARY CABINET 9431.100

### Roughing-in Dimensions

Move Apothecary cabinet into desired position. Be sure to leave enough room for the swing of the doors.

Level the cabinet using the adjustable glides on the bottom of the feet. The glides can be adjusted outward up to 1" but it is recommended not to exceed 1/2" if possible.

Adjust the shelf pins to desired locations and install the shelves.

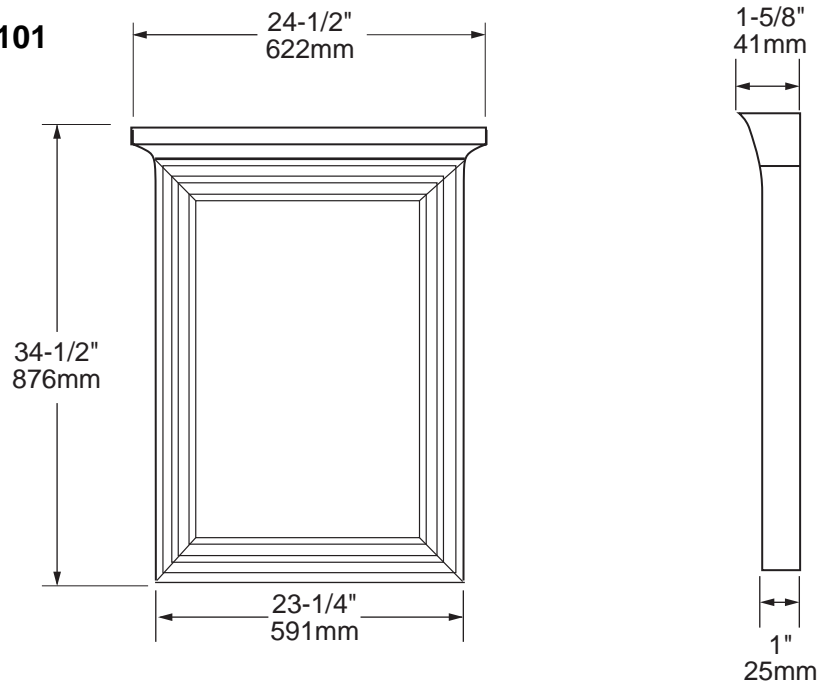

## RECTANGULAR MIRROR 9486.101

### Roughing-in Dimensions

**NOTE:** Provide adequate wall support for the size and weight of the mirror.

Mirror comes with 2 ring style hooks pre-attached. String suitable wire through both hooks. Use appropriate mounting technique based upon wall material.

WEIGHT = 21LBS.

### Care and Cleaning

Dust the wood frequently with a clean, soft, dry, lint-free cloth, as well as polish it on a regular basis. Clean the surface by rubbing in the direction of the grain. Use polishes that contain detergents, emulsifiers and mineral oil. Avoid using silicone cleaners and waxes.

Clean up excess water and spills immediately. Use a blotting rather than a wiping action. Water left over a long period of time will cause white spots in the finish.

**NOTE:** Please note that some chemicals may damage the finish. Take care to avoid the following: iodine, hair dye, shaving cream, after shave lotion, alcohol, perfume, Lestoil®, Lysol Tub and Tile Cleaner®, Lysol Spray Disinfectant®, Dow Disinfectant®, acetone, paint remover, Formula 409®, Tile-X®, and Nair®.

### Repair Parts

## AMERICAN-STANDARD WOOD FURNITURE WARRANTY

If inspection of this American-Standard plumbing product, within one year after its initial purchase, confirms that it is defective in materials or workmanship, American-Standard will repair or, at its option, exchange the product for a similar model. Variations in actual wood color and finishes which may result from natural characteristics of the wood, such as grain patterns, mineral streaks and the like, are not defects and are not covered by this warranty.

This warranty applies only to the original purchaser and installation of these products.

This limited warranty does not apply to local building code compliance. Since local building codes vary considerably, the purchaser of this product should check with a local building or plumbing contractor to insure local code compliance before installation.

This warranty shall be void if the product has been moved from its initial place of installation; if it has been subjected to faulty maintenance, abuse, misuse, accident or other damages; if it was not installed in accordance with American-Standard's instructions; or if it has been modified in a manner inconsistent with the product as shipped by American-Standard.

American-Standard's option to repair or exchange the product under this warranty does not cover any labor or other costs of removal or installation, nor shall American-Standard be responsible for any other incidental or consequential damages attributable to a product defect or to the repair or exchange of a defective product, all of which are expressly excluded from this warranty. (Some states or provinces do not allow the exclusion or limitation of implied warranties, so this exclusion may not apply to you).

This warranty gives you specific legal rights. You may have other statutory rights that vary from state to state or province to province, in which case this warranty does not affect such statutory rights.
